The overall number of enrolled students on master program Economics at the Belgrade Metropolitan University - FEFA (Faculty for economics, finance and administration) is 43 students.

15 students (In Table below, from No. 1 to No. 15) out of 43 enrolled students are employed in the public administration. Until October 14, 2019, 11 out of 15 students employed in the Serbian public administration, have prepared master thesis proposals and all of these proposals have been approved. Two out of aforementioned 11 students have successfully defended master thesis by the end of the project - October 14, 2019.

The other students very extremely busy with regular professional obligations that have prevented them to submit master thesis proposals and complete studies within nominal study program duration (one year). It is expected that the most of these students will submit master thesis proposal within six months.

Based on the Albanian higher education legislation, as well as the European University of Tirana regulation, diploma defense is the ultimate obligation for the graduation of the student. Diploma Defense is done through:

- a. Presentation of a diploma work - which should be in the form of a professional project with an applied / practical character in the case of Professional Master Programs;
- b. Giving a Final General Exam (PPP).

After four exam periods, 17% (7 out of 42) of the students of the master's program **Audit** fulfilled the requirement for the submission and defense of the master's thesis, and addressed potential mentors regarding the topic of the master's thesis, as it shown in next table.

83% of the students have chosen the final exam as their final obligation and 7 out of 35 have successfully passed the final exam till October 14th 2019.
